Messrs Jas. R. Spood & Co Publishers,

Dear Sirs

Enclosed please find first of each.  
for \$21, 00 currency, due you for Lib. Edit. of  
Nath. Hawthornes works. It should have  
been forwarded long ago, but was somehow  
neglected. The second will follow via Bremen.

I wrote you the other day concerning my own  
affairs, and find nothing to add at present: except  
that I would expect getting out the book by 30th  
if possible. It will be in your hands five or six  
weeks before that time - perhaps more.

I would like to have the Ms. preserved and  
returned to me, if it can be done.

Yours very sincerely

Julian Hawthorne.
