

to promote any copies in regard
to the volume of Adoration, and I
should be pleased to send you —
probably through Messrs Putnam &
Prayer the copy for your inspection, and
it occurs to me that the type-written
text of my public address at Maidstone
with MS. additions & corrections by me
might, if it were included in the
proposed volume, be retained by you
if you cared to have it. But I leave
it to you. As I have not seen you,
I will act according to your instructions.
I shall wish the volume to consist of only
50 copies. I don't know how far it
would enter into the plan to have a
portrait of myself. I possess two photographs
of which one belongs to the period, when most
of these things were laid together.

With assurances of esteem
yours,
Dear Sir,
very sincerely

W.C. F. Haylett

With a list of proposed contents
of course with my indistinct handwriting it
would be imperative for me to be proof.

Dear Mr Young

I beg to acknowledge
the receipt of your last letter, and to thank
you for the evidence of friendly sentiment
which it contains. Very respectful
to the wide distribution of my autograph
is an inheritance from my grand-
father. I am extremely sorry to
find that it bequeathed you some
possessing several of my Tracts
volumes. Perhaps later on we may
arrange to meet each other a little
on this ground. You must know that
I have of late been engaged additionally
with some business engagements in
books, as an American gentleman induced
me to do so, and owing to certain
circumstances I felt that he had taken
more than a due advantage of me.
You cannot at all hesitate to do this.
It is extremely good of you to promise

List.
