

Albion Lake Feb 9th 1835

Will my Hon^d friend be so kind as frank the inclosed
letter to "Mr William Baird Law Graham Castle Dingwall."

I had a letter from Southwark on Saturday which
has this remarkable passage in it "I heard at the club last
night that Sir Robert means to ask the assistance of your
members in the Ministry!" I tremble as yet for the whole
fabric

Yours ever most respectfully

James Hogg
