16, BUCKINGHAM STREET,

STRAND, W.C.

My dear Boas

I have nothing going on at present,
and in any case I fear there
would be no more than an off-chance
of my being able to be useful to
your brother. But should any
opportunity occur I will not
fail to take it and shall be glad
to have it.

I am a deserter from the bicycle but
should other means of locomotion
bring me to your neighbourhood
I shall drop in - Thanks for your
kind word about the King's temple
ever yours

Arthur H. Christie
