My dear Dick

Alas, I can't help! I have had exactly
the same answer myself - 'no room!' Not
even one place! In times past one got
the first chance, but now it is different -
Betty expects you to dinner tomorrow at
eight - if you have got four places &
want another man, will you let her
know by telephone tomorrow before ten-
thirty. But perfectly happy without a
fourth.

Also we have booked you for the
Vanity Foot-ball match next Tuesday -
details later! -

Yours

Anthony Atkinson
