Heath Farm, Surrey, Apr. 21, 1924.  
FRIENDLY LETTER TO "My dear Archie."

21<sup>st</sup> April 24

Station: Tadworth.  
Tel: Burgh Heath 85.

HEATH FARM,  
WALTON-ON-THE-HILL,  
TADWORTH,  
SURREY.

My dear Archie,

Thanks for your letter. I  
think that your mother and  
you are making a wise  
decision. A pleasant quiet  
country town will suit her  
better and, as you say, will  
offer as good scope - or  
better - for your work - besides  
giving you (as I hope is with)  
better health to do it.  
As if you can get quite of  
landladies, all the better  
still - I hope you will soon  
find a place to your  
liking and settle down  
comfortably -  
We are all well - here for the

Easter holidays and enjoying  
this wonderful (though probably  
short!) spell of weather. Back  
to town in about 10 days -  
The best of good wishes to  
your mother and to you -

ever yours

Anthony H. Hawkins
