SIXTEENTH STREET,

NEW YORK,

March 15, 1890.

Dear Madam:

I believe there is already
a translation of Simond's book,
and I am afraid that a
new one would not find a
publisher. The passages of
the version which you send me
were graceful and spirited.
I wish I could advise or
help you, but I do not
know how.

Yours truly,

W. P. Howells.

Miss Koppena.
