

The Roycrofters
Makers of De Luxe
B O O K S
and Things
East Aurora New York

Oct. 13, 1902.

Dear Friend:-

Possibly we are slightly
prejudiced, but the volume we have sent
you to-day we think is quite a Book.

Anyway we have woven a lot of loving care
into its making. We know you will be glad
to inspect it as you have the spirit that
is able to appreciate these Choice Things.
If not wanted simply return by express at
our expense. And believe us, ever

Sincerely yours,

Oliver Hubbard
