Dear Mother  
Here's what we  
are at. Since June 1st. And I  
hope for the rest of the summer  
Princeton during day. Back the

for October. I'm glad you like  
the Summer. It worried me, for I  
was afraid I had made it for you.  
now. But I could not help the  
"out" and show Summer - I know  
him

him, and I wanted the world to see  
him. The Review book is in press, uniform  
with London & the others. It will contain  
three or more matter of the article, & ad-  
ditional illustrations.
