5<sup>th</sup> January 1912.

Dear Mr Lucas,

I am presiding at a dinner at the Savoy Hotel on the 10<sup>th</sup> February for the Educational Society in which I am much interested, as I know it is doing excellent work. I hope you will come & support me at the dinner, and send me a contribution towards the £6,000 which we have to collect.

With apologies for troubling you.

Yours truly

Arthur Lucas

P.S. I am sending separately a paper which gives details of what the Society is doing.
