Dear Mr. Björkman,

Of course I remember
you & Mrs. Björkman,
and shall be delighted to

see you whenever it pleases
you to come this way, tho
it makes me blush to hear
that you expect any help
from such a poor creature
as I am.

I am only just back
from the M⁵ whether you

Letter was not forwarded -
how absurd to send it via
Fletcher - and shall be
more or less at home every
day for a week or more
(preferably in the P.M. after
at 3.30) if you will let
me know 24 hours in ad-
vance when to expect you.
My house is 5 minutes
walk Bostonwards from
the Kilkland St. Corner
of the "Delta", wh. holds
Memorial Hall. Truly
Yours,
Wm. James

He remembers Mr. Vjorkman and will be glad to have him visit him; he gives directions to reach his house.

Dear Mr. Bjorkman,

Of course I remember you & Mrs. Bjorkman, and shall be delighted to see you whenever it please, you to come this way, tho it makes me blush to hear that you expect any help from such a poor critter as I am.

I am only just back from the Mts. whither your letter was not forwarded - how absurd to send it via Fletcher - and shall be more or less at home ["any" cancelled] every day for a ["a" repeated] week or more (preferably in the P.M. ["after" cancelled] at 3:30) if you will let me know 24 hours in advance when to expect you. My house is 5 minutes walk Bostonwards from the Kirkland St. corner of the "Delta", wh.holds Memorial Hall. Truly yours,
