

THE CENTURY ASSOCIATION

7 WEST FORTY-THIRD STREET

Dec. 30, 1914.

My dear North:

Sorry - but I couldn't
squeeze in another date this
season with a shoe-horn,
a trip-hammer, or a Cor-
lis Engine. I wish I could
for I like Summit anchors.

Am starting west this
P.M. to be gone until Monday.

As the Post says -

Happy 100-ger

100-ger!

Cordially

John H. Underhill
