

43. Springfield Road

Sr. John's Wood - N.W.

Dear Sala, [Geo. Augustus]

Leland, i.e. Hans Brechtman, has agreed to lunch with me on Sunday next at 1:30, when I hope to bring together two or three friends to drink a glass of claret and smoke a cigar with the American Humanist. If you have no better engagement will you give me the pleasure of your company at the proposed meeting?

Yours very sincerely

John Cordy Jefferson.
