

Garrick Feb 4 1801

My dear Sir

The Garrick has been  
enriched by splendid pictures  
by Stanfield, Roberts & Haghe  
- May look in upon them

I think any little addition  
from your pallet w<sup>d</sup> be  
highly appreciated

There are a few of the  
smaller compartments,  
yet open. Yrs always

W. Landon

At any rate come & see the Garrick & Room &  
show you our handsome pictures.
