

2 Kilburn Priory
Sunday 20 Dec^r

Dear Lilley

We have come to reside here, since Midsummer; I have spoken often about you. This Morning W^m Seldon let me into my writing room on condition that I sh^d write to you, the first thing, to say we sh^d be very happy to see you whenever you can make it convenient. Come & tell me what you are about & take your chance with yours truly W. Seldon
