CENTURY CLUB
7 WEST FORTY-THIRD STREET

Dec. 17. 1918,

My dear E.D.W.

The very most attractive
title I can think of for my
Talk before the Athenaeum
is the name I composed upon
it before it was born, viz, to
wit, namely, thus will:-

Light And Shade In The Land
Of Valor.

If this does not suit you
call it -

Back From The Front
or
A Week-End With The War
or

Me and The Front,
or
Fish Balls From An Empty Sardine
Box,
or
Anything Except A Birds-Eye View
Of The War By A Bolshevik.

—

Thus do I give you much lati-
tude, and not a little longitude
to do as you deem please about
it.

Meanwhile wish Mrs North
and yourself a Happy Christmas
on behalf of

Yours ever
John Kendrick Bump
