at the apote of the Zoological Garden. | Black

It is called of now! Was called of yesterday!

Rensington.

I was alone - with nothing to speak of,
But Creation!

Yes - of gigantic Noah's Ark of twenty times ^{her} ~~the~~ tonnage,
Lay crowded, and purring, and velvet, and furred, -
About me!

Rug.
Cane-colored tigers - ~~carpeted~~ spotted Leopards -
Snakes (at least ^{ah} ~~at least~~ ^{and interesting to} ~~the~~ ^{the} true live snakes &
Lembling!

Spotful Zebra - Mager Calicoant - Common Alp,
And I - and all were there!

The little bushy squirrel into his half-cracked nut
Slept. The Boar of Allemagne snored.

The Lion Cage was hot with ^{heat} ~~breath~~ of blood:

And ~~the~~ Peace ⁱⁿ ~~made~~ ^{Custom} ~~one~~ ^{instead} ~~thing~~ ^{of} ~~two~~ ^{things} ~~to~~ ^{was}!

Lead ~~I~~ ~~was~~ ~~in~~ ~~the~~ ~~Zoological~~ ~~Garden~~ ~~and~~ ~~Regent~~,

~~Great~~ ~~Midnight~~ ~~Thought~~! ~~I~~, ~~meditating~~, ~~stood~~!

The Boar and the B (Banquet)

^{apologetic}
An apology of the Zoological garden. | Blank

It is called of Now! Was called of yesterday!
May be nattered to-morrow! What? -

The Boar that bolted the Banquet.

(1)

Spelled ~~the~~ enthusiast!

It was full moon's full moonlight! The Shilling
I had ^{just seen} ~~traced~~ at the gate -

Seemed hung in Heaven. To Newton's Eye,
(As Master of the Mint)

A splendid, yes celestial Shilling! -

I was alone - with nothing to speak of,
But Creation!

Yes - of gigantic Noah's Ark of twenty times ^{her} ~~the~~ tonnage,
Lay crushed, and pining, and velvet, and jagged -
About me!

Came-colored tigers - ~~carpeted~~ ^{Rug.} spotted Leopards -
Snakes (^{at} ~~the~~ ^{and interesting to} ~~the~~ ^{the} ~~time~~ ^{the} ~~we~~ ^{we} ~~birds~~ ^{birds} &
Lembling!

Stuffed Zebra - Mager Calicoant - Common Alp,
And I - and all worse these!

The ~~littered~~ ^{littered} ~~brisk~~ ^{brisk} squirrel into his half-cracked Nut
Sleep. The Boar of Allemagne snored.

The Lion Cage was hot with ^{heat} ~~heat~~ ^{breath} ~~breath~~ of blood:

And ~~the~~ ^{the} ~~Peace~~ ^{Peace} ~~made~~ ^{made} ~~one~~ ^{one} ~~thing~~ ^{thing} of two things. Does!

~~I~~ ^I ~~was~~ ^{was} ~~in~~ ⁱⁿ ~~garden~~ ^{garden} ~~Zoological~~ ^{Zoological} ~~and~~ ^{and} ~~Veget~~ ^{Veget}

~~at~~ ^{at} ~~midnight~~ ^{midnight} ~~stood~~ ^{stood} ~~I~~ ^I, meditating, stood!

And still the Moon looked windows like a Shilling -
Impartial Moon that showed me all! - while
My heart fluttered as tho' winged from Mercury!

I moved - approached the Snake-house! -

Oh, the balm of Paradise that came and went -
The silver gleam of Eden shooting down the trembling strings
of my ^{frantic} heart

Down - down to its coral roots!

I looked and the human tears and eyes - prepared myself
with will ^{from} ~~frantic~~ from the ^{eyes} ~~roots~~ of hope, to gaze upon the Snake!

Lead The Bo-a!!!
The Pythons!!!
The Amind-a!!!

A Bo-a was there! a Bo-a ^{made} ~~on~~ Crystal ~~Wall~~ Roof!
And little rabbits, taking the ^{moonlight} ~~moonlight~~ in their paws
Washed their ~~at~~ ~~moons~~ ~~eyes~~ ~~with~~ faces. Washed, then
hopped!

And so I cannot help it I do, I ^{ground} ~~thought~~ - the ancient Snake -
- that little white thing - and innocent - ~~happily~~ ~~trusting~~ =
And then Death - Death - ~~Death~~ -
And then typical, it is - it is - ~~it is!~~
The Bl ant at!!!

Dead shock of him ^{him} ~~him~~ that cropped the flower, -

Lead And thoughtless, ^{bleat} ~~cried~~ ^{into} ~~its~~ little ~~bo-a~~ bo-a!

Away! I will not carry ~~bo-a~~! Oh, let the Bo-a sleep
And rabbits, that have given bills to fate,
~~bo-a~~ that his den and at three and six months date -
We know such bo-a and rabbits,

Know we not?
Let me pass on!

And here the very col; may, even col
without the Snake horse!

The Moon still glitters, and again I think
of Multitudes who've paid, and bared, and yawned and wailed her!
~~Of him whose mind could ^{not} discern~~

~~The ^{stupid} difference that prince~~
~~From peacocks ^{one} scarce could tell a cock of ~~hay~~~~
of hay!

Must be ye one, a prince, from a prince. pig
He knows of and (as for money)

Here, ~~but~~ ^{too} ~~has~~ ^{paid} the wise, sagacious man ~~is~~
the ~~master~~ ^{of} probabilities! ~~Here~~ ^{praising}
~~And~~ ~~but~~ he sees the turk of elephants - the two turk -

And, into a thought, cuts 'em into cubes -
And into another thought - another - and another -
Sells ~~him~~ (to himself) ~~him~~ ^{it} in twenty years -
Those ~~of~~ spotted squashes shall ~~come~~ ^{cut} ~~up~~ ^{trump} ~~of~~ ^{and} sixes!
And this in time of elephant! - ~~come~~ ^{up}

Lead - ~~I wonderful in calculation~~ ~~here~~!
And her Majesty has had these walks
accompanied, ~~happily~~,

By
Prince Albert -
The Prince of Wales,
The Princess Royal

And
The Vert of the Royal Children! -
She said he by her!
Did she think of Sippoo Sakh ty his head?
She said the lion.
Thought she of one of her own, ~~lions~~!

She did not see the ~~Union~~ Unions; but
(with his generous health of cards, & union)
Did she think of him at bit the life?

Thought crowds upon me - ~~my~~ ^{my} move ~~me~~ - ~~me~~ line
~~And now~~ I am here; and whether I will or no,
I feel I'm joined to!

The camels are asleep, and like the two Cabinet
(~~of course~~ ^{of course} means the Whigs.)

Wend not, when they rise to answer,
What colour they will wake! -

The baby elephant ^{seems} prematurely old:
Its infant hide ~~marked~~ ^{all over} with thoughts
Of cubes and oranges given it by boys -
It Chancing now, and paralytic!

~~Lead~~ This is very sad: no more of it! -
He's here into the eye: the many-abused wight!
~~From~~ ~~him~~ ~~marked~~ ~~him~~, who rose of seating-way,
And ~~was~~ ~~so~~ ~~by~~ ~~marked~~ ~~into~~ ~~prismatic~~ ~~beams~~,
~~As~~ ~~though~~ ~~the~~ ~~man~~ ~~marked~~ ~~to~~ ~~had~~ ~~jumped~~ ~~the~~ ~~sky~~,
And fell to earth

~~Marked~~ ~~of~~ ~~a~~ ~~rainbow~~! -
As though ~~found~~ ~~sky~~ ~~to~~ ~~earth~~ he had come from ~~sky~~ to earth -
He'd ~~skid~~ ~~down~~ ~~new~~ ~~to~~ fresh painted rainbow!

~~Lead~~) Sliding and slipping a fresh-painted ~~rainbow~~ rainbow!
Wash! I have made a perfect circle!
~~Washed~~ ~~at~~ ~~the~~ ~~Snake~~. ~~Washed~~, ~~once~~ ~~again~~ I stand!
Such is life!
Oh! Oh! Help! Murder! Dreadful accident!
So he conceived - ~~the~~ ~~eyes~~ - why, oh, perhaps;
Described - the, never! -

Keepers are up; and crawl about the box -

The Boas box, with of unnumbered rabbits
Not so the Boas! Look! Behold!

And where the blanket?

In the Boas inside place. Mark at the Minister!
How he wrinkles and wrestles into the wool, as though
he had within him ~~several~~ rolls and rolls

Of choking, suffocating, influencing
that left his eyes ^{and} ~~find~~ ^{out} ~~their~~ ^{sockets}! - Of Mary Magdalene
that with needles in not art, but in way
seem to strangle!

Silence and wonder settle on the crowd;

And who instinctively, but silently,
around ~~the~~ ^{two} ~~preparatory~~ questions!

"Will the Boas ^{beat} ~~beat~~ the blanket?
Will the blanket beat the Boas?" -

Thin

~~Such the~~ ~~problem!~~

~~These are men~~
~~who read differently~~
And turn new men and deduce
differently.

"The blanket is dyed: the Boas the Pope,
will the Pope dis dye his Bull?"

"The blanket's free Trade: the Com. paper ~~and~~
Do the Boas ~~take~~ into plenty or ammeb." -

"The blanket's Reform ^{of} ~~is~~ ^{to} ~~the~~ ^{the} ~~end~~,
with ^{but} ~~no~~ ^{sight} ~~to~~ ^{satisfy}!" -

But I, as lofty and as abstract man,
a creature of a higher ~~class~~ element

On saying this I turned away:

Feeling adown ^{the sun all the} my back ~~that~~ ^{the} gutts ~~reanthe~~
~~that~~ ~~was~~ ~~wants~~ ~~to~~ ~~us~~, when we know

we have said a good thing;

knowing it better than the world

- ~~the~~ ^{find} ~~can~~ ^{ever} ~~or~~ "will it"

~~And~~ (While)

Reader, I have sung my Song.

The Book and the Book like new-fangled stars,

Do mine no longer; but the world's.

Tell me, how have I sung it? With what note?

~~The piercing screams of ayes and Panbarises~~

~~With that note alone to lead~~

~~With note alone~~

~~Happy note alone~~

~~So that must at last be~~

Happy, with note alone to that immortal led

The ~~hush~~ ^{or happily} snow-white Swan of Swan?

— to that

— Nara avis,

— That has

— "Bird Warren's?"
