

Pardon
my scrawl

Nov. 9-10 midnight.
(I hope you are well, my
dear fellow!)

Dear Munro:

If possible,

Please make these

changes, before sending
me the proofs of the

Saint Sander's Ode, & kindly
send two or three pulls, with
the copy (this piece, as well as the corrected
galley) — unless you need it further, that
will ~~not~~ avoid the necessity of my
digging out the same corrections for Se-
Vigne.

I am trying to observe Keats's in-
junction to be

"Jealous of dead leaves in the bay wreath crown"

Faithfully yours R. U. Johnson
