Dear Miss Lusk,

It will afford me a real
pleasure to accomplish the little service
you require of me — but Thomas Foster
is at present seriously ill, but as soon
as I possibly can obtain an interview
with him I will interest him in behalf
of your young friend —

I have suffer'd very much
lately, and have now a sad addition to
my cares in the illness of Mrs Payne
and Miss Hamilton — When matters
take a more cheerful turn you shall
again hear from me — With kindest
regards to yr Brother I am ever Dear Miss Lusk
your affectionate friend
T M Kelly.
