My dear Sir,

I was much pained
to hear of your secession from
the management of C. Gardner
I cannot refrain acknowledging
the many kindnesses which I
have received from you, as
a manager & expressing my
sincere regret that so undesired
- so unjust a result should
have attended your excursions

May present my Complts to
Mrs Matthews & assure her how
much I feel a poor nervous
wretch has to thank her for -

Believe me My dear Sir
Yours truly
C. J. Matthews & Co. Thank you
