

my dear conspirator, I believe  
for my soul it is as right  
as anything can be, but  
I was sure I was going to give  
you a letter a long time ago, you  
knew as a kind of  
fellow - you have a gift  
for kindness - and Elizabeth  
wrote me to thank you  
for it in her name too  
I wish I was going to  
see you soon but  
I don't think I can  
do. I wish I could  
Marrett a fine  
idea & respectable  
I don't think

important to talk to in the  
company we are in  
I am given up to being  
what's the matter I think  
it suits me  
I'd like it earlier  
There is no one with  
marriage which looks me  
very much  
she has better friends  
than I. Clayton that  
woman I have said  
I don't go to as much  
of your own hands  
I am all in the  
I don't think I should be
