

FROGHOLE,
EDENBRIDGE,
KENT.

September 29

Dear General, I have been reading your
work. I think you have done it extremely
well & am proud to be in a sense
its father. There might be a great
translation, if you know any French
publishers of such books or authors, it
might be worth your while to try to
arrange this. Yours sincerely

Edwards

I am very glad you are sending me
your language.
