

5. Gordon St. N. C.

Dec. 6. 1876.

Dear Madam,

If Mr. Freckleton could
make it convenient to call
on me here in the afternoon of
Friday next, the 8th inst., - say, about
1.30 or 2.0, I shall be happy to
see him and his young friend.
Should that day be inconvenient,
Monday next may be substituted:
only, on that day, I have a lecture
at 2 P. M.

Yours truly,
James Martineau.
Mrs. Freckleton.
