Nov 24. 1909.

My dear Carpenter.

Many thanks for your letter.

By all means close with the Sidgwick
& Jackson offer, & act as you propose about
the American issue. I suppose he will
send to you directly? You might ask him
if he would care to print in an appendix the
three tunes for the chanties & the pipe relay.
One block could be made to hold all three
scores I fancy.

Sincerely yours

John Macgregor.
