My dear Gargowdo,

I was surprised  
with a mass of MSS  
when I received  
your letter. and in  
truth I do not know  
whether the publishers  
who subscribe me  
are of the kind that

BOOKING  
BOOKING

would suit Mr.  
underwood. But  
I will do my best,  
as a matter of  
advising on his  
MS, if he sends  
it to me now.

The time  
for seeing Callandra

comes near, to  
particular us.

Yours warmly  
George Meredith.
