FLOWERMEAD,
WIMBLEDON PARK.
S.W.

My Dear Sir,

I have your kind letter of ten days ago, and I need not say how cordially I thank you for it.

In the absence of political events here, I do expect to cross the Atlantic this autumn. If so, and as soon as my plans are fixed, I shall have the pleasure of writing to you. Meanwhile with sincere thanks to your Executive Council, I am,

Yours very faithfully,

John Morley.
