

Brooklyn Nov. 21/54

My dear Sir,

To my regret some circumstances have hindered me from saying when I could go to Hartford, until now.

Your note of the 30th Oct. names about Dec. 20th and Jan 9th. I cannot go about Dec. 20th because I must be in our country on Christmas, and on the 20th I must be in our country here.

It would be inconvenient though not absolutely impossible for me to go Jan 9th but on Jan 8th (and (A. V.) - or 15th or 10th -

Wednesday is our church night. Thursday the night of our (week).

Tell me if I can do any thing to serve you. If I should be the title of my letter will be "work and labour."

Yours very truly

Er. W. Getman
