

18 High Street  
Oxford

Jan 12.

My dear Kingsley

As soon as I have a little time to myself I shall read Markham's Quichua Grammar. It is short - which is the greatest merit of a grammar. If I find anything likely to interest the readers of the Sci. Rev., I shall gladly review it, but Quichua Grammar, as you may imagine, is not a very lively subject.

My visit to Osborne was deeply interesting. With best love to Aunt Fanny, Rose, and my old friend Polly, Ever yours  
Max Müller

Prof. Max Muller  
to  
Charles Kingsley.

10,563

Muller, Max (1823-1900)

Philologist and author. Oxford.

A.L.S. to Charles Kingsley (1819-1875)  
12.Jan.[1864]. 1 p. (double sheet,  
octavo.) With embossed address of  
64, High Street, Oxford.

He will soon read Sir Clements Markham's  
Contributions towards a grammar and  
Dictionary of Quichua and will write a review  
if it seems at all interesting. Sends his  
greetings to the Kingsley family.
