

Small sketch

My dear Sir  
Delays is August -  
for I have put my little  
one into hearty goodwile  
into the Macmillan boat -  
However I'm not worth much  
to anybody - as I write  
so little these days - having been  
fairly worn out with my  
last book: - & taking a  
& good long rest. -

Wildwood  
North End, Hampstead -  
Dec 22:13 -

I shall be so glad to  
see you & Mrs. Smith &  
Dolly at Wildwood - &  
if you don't come shall  
include you only like we  
"on business"!! -

Yours ever sincerely  
Blunelock -

I said only yesterday "I wonder  
whether Miss S. & E. - mean  
to be benevolent & send  
me the Cornhill Magazine!"  
I shall like it so. -
