Miss Field Osborn & Co

Gentlemen

Much obliged. My head is better now - or nearly so; and I am ready to take the stand.

I remember your remitting twice, but have no recollection of the third payment.

You are under a misapprehension about the 500 copies reserved "by agreement". There was never any "agreement" with me, or I should have had no occasion for asking what is meant by "reserved" or "examined" copies.

There being "no sale" since

May 165. — perhaps you may
find it in your report to send
me a few copies to give away.

Yours truly
John Neal
