ESOPUS, NEW YORK.

My dear Stewart

You can

bring your own way
up there except at the
banquet. It would not be
possible I fear to give you
prominent place at that because
of the fact that ~~that is~~
1st It is a Caroque banquet
and 2nd there are to be present
so many distinguished
guests who are invited
that the committee
will not know how to place
them. But you can

cannot on any best
efforts always to make
the any situation as agreeable
to you as possible.

Get up your resolutions
and let me see them.

I will offer them if it seems
wise for me to do it and
support them with a few
sentences.

I am trying to get a
vacation but kept at work
more than is reasonable
in a vacation.

With best wishes
Sincerely yours

Oliver B. Parker
