Dear M^{rs} Trower,

Many thanks for
your most kind letter,
and invitation, which I
am sorry to be unable
to accept, as I am
going to Oxford for some
months. It does seem

long since we met, but I
suppose it happens so
when one has party in
one place, party in another.
Also, I have been unwell
of late, and unable to
visit much. - I must
hope to have the pleasure
later. With kind regards,

Very truly yours
Walter Paton.
