

Woolwich

19th Sept^r 1842

Dr. Selley

I was greatly surprised
& disappointed to find you
had returned to town, as
I had fully expected you to
pass yesterday with us -

The case in which my
Lons picture came here

being forthcoming it will
not be necessary that you
send me, I shall see it
carefully packed tomorrow
& the carrier of Wednesday
shall deliver it in Newmarket.

Yours truly

W. Campfield
