

Indian Hill Farm, near
Newburyport, Nov. 5, 1874.

My Dear General.

I drove into Newburyport yesterday to obtain the election news, which was not of the most cheering character. By way of consolation, the Expressman gave me the book you so kindly sent. I passed the night in making memoranda from it, and return it, with many thanks.

Yours fraternally

Ber; Perley Poore

Gen. Wm. Sutton.
