My dear Mr. Gange:

I hope you are well again -
I have never thanked you for those
beauty Illustrations - The more I look
at them, the more beautiful I find
them - I showed them yesterday
Sunday (when I had always a great
gathering) to my friends, and they
all were enchanted with them -

Who is A. A. ?

I hope the book will soon appear -
I sent you two copies of the Carlyle
Letters - one to give away.
I did really send you a copy
before. I have a list of those I gave
away - and

"To Ben Adhem's name, led all the
rest" - No doubt it was taken
