My Dear Sir,

My father regrets that a
prejudicial engagement, to be present
at the Cattle show of the Norfolk
Agricultural Society, will prevent
his visiting New Bedford on the
28th inst. As I have accepted an
invitation from the Society, I shall
visit New Bedford, coming by the
afternoon train on Wednesday
and shall be most happy to avail
myself, again, of your hospitality.

With remembrances to the ladies
I am your obliged friend &c
Joseph Quincy Jr

Hon James Arnold.

New Bedford.
