June 1/16.

My Dear Miss. Mason:

I beg to acknowl-  
edge your kind note, enclosing check as  
Remuneration for Communion Address  
delivered at The Castle School May 30<sup>th</sup>.

I greatly enjoyed this last visit  
to the Castle, & came away believing more  
than ever in the ideals of spirit for  
which your School stands. I think  
I also understand a little better the  
secret of the wonderful success  
you have made of The Castle School  
in these twenty five years.

I trust your Summer may be most  
enjoyable & that it may bring you the  
opportunity for genuine rest.

With every good wish, both for  
yourself personally, & for the School  
I am

Most Sincerely

John Herman Randall
