New York, March 6 - 1897

My dear Mr Babbott,

I thank you ever so much  
I am now pursuing three separate lines  
of inquiry on the west, suggested since I met  
you, and if you will hold the matter  
in abeyance till I hear the result of them  
in a week or ten days, I shall be greatly  
obliged to you for the chance it may offer  
in the event of the failure of the others. Before  
that time I may run down and lunch  
with you. I want to talk to you any how.

And you see my Soo Good strike  
for Roosevelt? It's all I can do, God help  
me!

Faithfully yours Jacob A. Rus
