My dear Ernest:

Thank you sincerely for telling me about Phelps's reference to my book before your association. He has been a friend of the book all along, and I feel has done a great deal towards its wonderful success. Since you ask about it I may say that it has just gone into its sixth edition, and they are now printing the seventh.

Thank you for what you say about it, and I look forward to seeing you in New York some day.

Believe me

Very gratefully and sincerely yours,

Mr. Ernest Dressel North
