

3 ST EDMUND'S TERRACE

REGENT'S PARK, N.W.

9 Nov. /93.

Dear Mr. Stock,

The water-colour of Lady Clare is in this house - front drawing-room. I will leave word with the servant that your messenger, on coming some day next week, is to be allowed to take away that water-colour. It is of Finnish size, framed, & hangs by a string from a brass rod. Your messenger will have to detach it.

The other (much smaller) framed water-colour, etc. agrees!

Miss Rossetti,
Eve, is in my sister's house, 30 Torrington Sq. W.C. - front drawing-room.
As the matter had been left in abeyance, I have not yet spoken to my sister about it, & can't assure that she wd sanction its being used or taken away: but I have no practical doubt she will. I will now write to her on the subject. The more convenient course for her & me seems to be that your messenger should go straight to 30 Torrington Sq, & there (when authorized) get the water-cy-lower: but, if you particularly wish it, I wd ask my sister to send the work round to this house in the first instance, so that your messenger c?

fetch them both away together.

The other matter - photographs at Mansell's - will no doubt be properly adjusted in due course.

Yours very truly,
Wm Rossetti.
