July eleventh  
Nineteen hundred  
and twenty-one

My dear Mr North:

Mr Bok sailed last week for Europe and does not return until fall. The painting about which you inquire, by W.L. Taylor, should still be in possession of the Ladies Home Journal, and if you will write to Mr Barton W. Currie, the editor, I have no doubt he can supply the necessary information.

Sincerely yours,

*Reuben W. Elliot*  
Secretary to Mr Bok

Ernest Dressel North, Esquire
