Cape 1888

10 April 88

Dear Mr. Stock,

I am only just  
back from Brighton, so  
would have written  
sooner. The sketch  
reached safely. You are  
quite welcome to give  
the words, also my name.  
N.B. The "in lieu" for "in  
lieu" is a characteristic  
touch.

It was from "Iliad Laura"  
[as I explained in the  
Appendix that "Laura"

Penderwin derived her name.  
Oddly enough I have been  
staying with my Aunt  
and was looking over their  
Packer's relics (letters  
and sketches last night

Yours truly  
J. Howard POUND
