Dear Mr Sherlock

It is a bitter sorrow  
to me that we are both w old  
and that - you of all people  
should have been lost right  
by me - with your good skill  
and will - and never better  
are how you did.

Your bundle of plots were  
not sent off. - I send you  
cheque for £5. - please do  
them in<sup>x</sup> numbered - and  
then will count - and I'll  
send you back the skins &  
a cart a two - & you shall  
send me the cheques with at least
