Dear Miss Mason

I cannot tell you how  
am with Adelaide, and what a  
lovely, sensitive girl she is. We are  
both very proud of our godchild  
Mrs. Scudder was delighted with her  
as she had not seen her since the  
year Adelaide was baptized. I hope later  
that I can have her again for a Saturday

day. Stu is so happy with you and likes  
it so much we see the milk. I hope I  
will some day find the time to get  
up and see you. Adelaide tells me  
that you have such a nice set of  
girls this year and that all is going  
so well. Be kind enough to remember  
me to your family, also to any I am  
acquainted with at the school. God  
bless you and your work. I am, with  
best wishes,  
Yours faithfully,  
Henry Townsend Sudder
