

No. York. 59. Fifth Ave

Nov. 14. 1862.

Major W. Field,

The day having passed
without any telegram from you
I was a little doubtful
whether the post, postal cars
arrived here yesterday, have
reached you safely. I hope all
is right. I start for Washington
tomorrow morning and go direct
(I believe) straight to the army.

Yours very truly

John W. Smith.
