

38 Queen's Gardens

Baywater W.

March 21/81

My dear Lott,

I have bought
the tickets for ^{the} Berlioz concert.
Let me know in due time
how you propose to arrange
trains and so forth. Of course
you will come and take a
bed here.

I see that the tickets
which I have taken for the
stalls are marked "evening
dress." Whether this is presumptuous
or not I cannot say; possibly

it is. I suppose, therefore, it
will be needful for you to
provide against the contingency.

Ever yours

Herbert Spencer
