Dear Mr. Bazire:

I sincerely appreciate your letter of the 9th, and thank you for communicating with Dr. Foster Kennedy.

When you next see Dr. Bousfield you might tell him that Dr. Kennedy does psycho-analytical work in New York at \$50.00 per hour's interview. In addition to that, he has a regular practice as a brain specialist of high rank.

Thank you for your letter with respect to the hoped-for probability in connection with the Savage Club Masonic Lodge. The fact that you forward me bill indicates that the probabilities are strongly favourable, and I consequently take this opportunity of enclosing you a sterling cheque for £3.18.6.

With sincere regards,

Very truly yours

P.S. Cheque already gone forward attached to bill.
