Dear Mr Wicken

Many thanks for your
(enc cheque). I quite agree that the
story I told about the filming of
'Coquette' sounds incredible. In fact,
if I had heard it from anybody known
to me to be foolish I shouldn't have
mentioned the thing at all. But there
can be no harm in making an
inquiry, & I am much obliged to you
for your promise to do this.

Yours sincerely

Frank Swinnerton
