Dear Ralph Pinker

Many thanks for your note. It was very good of you to write and tell me about the sales of 'The Order Sines'. I observe, not unexpectedly, that those sales have begun to decrease, for Doran showed me a cable immediately after Christmas which said they were already at that time over twenty thousand and were leaping onward. However the figures you give are very agreeable, and as Eric is on the spot they are probably nearer the truth than the others.

With kind regards

Yours sincerely

Paul Winson
