J. J. Sarte Esq
Theatre
Greenwich.

F.P.
Strand

Temple,
Saturday Morning.

My dear Sarte,

I saw Mr. Young for one
minute last night when (as I had supposed
on Wednesday) Othello was acted. He desired
me to say that he had not been able to see Mr.
Pina who is still very suffering very much; but that
he would see him, & bring him to a point age
or hours soon as possible.

I am sorry that I did not feel equal, after
the effects of the festivities of the season, to come to
Greenwich & see you in "Wine does Wonders" — or rather
to walk home afterwards. I pray let me know when
you do any thing at such price in which you could
take me to see you; as you cannot do me a greater
pleasure.

Wishes you all happiness in this & in many
a year,

I am ever faithfully yours,
J. N. Talfourd.
